

Compact USB Postal Scale

This simple weight-only electronic scale is perfect for letter and small parcel mail to ensure correct postage without overpayment. This low profile design is easy-to-use and store when space is limited. The flip-up letter stand makes weighing large envelopes and shipping tubes easy. Powered via four AAA battery or USB cable (both included). This model has a units key to toggle between lbs/oz, kg and g and an On/Off/Tare key.

The USB interface is designed to work with most of the current USPS application packages to print postage locally from a PC. The scale transmits weight via the USB cable to the PC and the application program then takes the weight for postal calculations.

Accuracy

0.1% of full capacity

Capacity

25 lb x 0.2 oz / 11.5 kg x 20 g

Power

Four AAA batteries or USB cable
(both included)

Display

0.6" / 15 mm digits with backlight

Construction

ABS case (120% overload protection)
with flip up roll and flat holder

Operator Keys

On/Off/Tare, Units

PS25 Compact USB Postal Scale

Specifications

Capacity:

0 - 2 lb x 0.1 oz / 2 - 25 lb x 0.2 oz
