

ElectroSamson

High Precision Hand-Held Scale

This modern sharp looking scale offers all the qualities of a traditional hanging balance with the simplicity, convenience and accuracy of digital scale.

Ideal for use in a wide range of general applications from sports fishing, poultry weighing, seed and animal feed preparation, health & safety audits for safe lifting and to identify used or partially discharged fire extinguishers. This robust, compact and lightweight portable scale is featured with a large easy-to-read LCD display, "Hold" feature and memory tare function. A carrying pouch is supplied for protection when not in use.
