

ElectroSamson

High Precision Hand-Held Scale

Versatile and portable hanging scale, offering best-in-class accuracy across three capacities thanks to its unique worldwide registered design.

Popular as a fishing scale, it's also widely used for tasks such as animal feed preparation, health and safety checks for safe lifting, or identifying partially discharged fire extinguishers.

The scale features a large, easy-to-read LCD display and a convenient Hold Weight mode freezes the last weight shown on the screen, allowing for hands-free operation. The Memory Tare function retains the tare value even after the scale is powered off.

The scale comes with a protective carrying pouch for safe storage when not in use and steel lift bar and top and bottom hooks.

Accuracy

Within $\pm 0.4\%$ of full load

Capacity

10 kg x 0.01 kg / 22 lb x 0.02 lb/1/4 oz
25 kg x 0.02 kg / 55 lb x 0.05 lb/1/2 oz
45 kg x 0.05 kg / 99 lb x 0.1 lb/1 oz

Power

9V alkaline battery (included)

Display

Angled 15 mm / 0.6" seven segment LCD

Construction

Tough ABS case with built-in hand grip for easy fitting

Operating Keys

On/Zero, Off, Hold, Units
