

PS10

Electronic Scale with Clock

The PS10 is a versatile scale, ideal for everyday postal tasks or home kitchen use. It features a large, easy-to-read display for quick results and a simple two-button operation for hassle-free weighing.

The built-in clock mode (24-hour or 12-hour AM/PM format, with hourly auto or manual display) adds extra convenience to your workspace. Its slim, space-saving design makes it easy to store or move wherever needed.

Practical, reliable, and modern - the PS10 is designed to make everyday weighing effortless.
